# **Cirque du Pan**

**Panic Circuit** - an Exploration of the Accelerative  
Effects of Information Communication Technology.

**Charles Maggs 2006**

## DECLARATION

This work has not been previously submitted in whole, or in part, for the award of any degree. It is my own work. Each significant contribution to, and quotation in, this dissertation from the work, or works, of other people has been attributed, and has been cited and referenced.

## **Acknowledgements**

I would like to thank my supervisor Johann van der Schijff for the grant holder's bursary, his guidance, support and patience throughout this process. My partner in life Belinda Coetzee for everything - you have always been there, it would not have been possible without you. Elizabeth Maggs for seeing the humorous side to things. My Father for his ongoing support and encouragement. My Mother for her assistance and interest. My brothers and the rest of my family. Carine Zaayman for the insights and more. All of the staff at the IFNM and Michaelis school of Fine Art, especially the post-graduate academic staff for their contributions. AAA School of Advertising and all of my colleagues there for the support. Ruth Sacks for the invaluable dialogue. Sean O'Connor, because he is not Ronbeck. Rob van Krannenburg for understanding. David Malan for his gritty performance. All my classmates for their stimulation. My students 2005-2006 for their patience and all that they have taught me. Moeneeb Dalwai for all of his help. All the people I have worked with for the chances. My friends without whom life would lack colour. I acknowledge with appreciation the financial assistance from the following bursars NRF Grant Holders Bursary, Jules Kramer Scholarship 2004 & 2005, Irma Stern Bursary, Michealis School of Fine Art Research Scholarship.

**For Belinda**

# Contents
